DOE

Jack Griffin

OSD

Ronald Lehman (co-chairman)

JCS

RADM Robert Austin

NSC

Sven Kraemer

25X1

The IG agreed that the Working Group should meet as soon as possible to prepare the draft decision document for review at an IG late on Thursday. The Working Group should strive for agreement -- if possible -- on the three issues presented for decision, and record issues on which agencies disagree.

In addition, the IG Working Group and the Nuclear Test Monitoring Working Group were urged to accelerate their input to a policy decision on TTBT/PNET.
